Re: Donald Maddy, et al. v. General Electric Company, Civil Action No. 14-490

Dear Judge Williams:

I write on behalf of the parties to request a 90-day extension of the discovery deadline in the above matter. The parties have exchanged written discovery and have begun conducting depositions. However, in light of the volume of documents requested in the litigation, particularly the volume and nature of electronic discovery at issue, the parties seek an extension from the current deadline of December 1, 2014 to a new deadline of March 2, 2015.

The parties thank you in advance for your consideration.

Respectfully submitted,

Rachel Fendell Satinsky
